

2024 SBCSC Scholarship Awards Banquet

Keynote Speaker Jazmine Tabili

Jazmine Tabili is a part of the inaugural Global Healthcare Partnerships team at Uber. She helped launch the Uber Health market in the UK, Australia, and New Zealand — establishing a whole new system of non-emergency transport services in these countries.

By carving the international landscape to address social determinants of health through Uber’s technologies and resources, the company’s healthcare vertical is working on removing logistical barriers around patient transportation, hospital staff rides, prescription delivery, and food insecurity through meal delivery programs.

Prior to working at Uber, Jazmine holds a background in political organizing and public administrative roles in local and state government entities. Some of her previous involvements include working at the Democratic National Committee (DNC) in Washington DC during the 2020 presidential primary election, a fellowship at the California Secretary of State’s Office, and a legislative fellowship at the San Francisco City Administrator’s (City Manager) Office.

Jazmine holds a Master’s degree in Public Administration from the University of Southern California and a Bachelor’s degree in Political Science at the University of San Francisco.

About the Club

The South Bay Chinese Club was formed on November 19, 1965 to preserve the culture and customs of the Chinese heritage, to foster and encourage better understanding of civic responsibilities and the American way of life, and to promote the general welfare of the community.

In 1984, the Club formed the South Bay Chinese Service Club, a California non-profit organization. The Service Club was formed to provide state and federal tax-exempt status in its pursuit of community service activities, such as the Scholarship Program.

One of the most worthwhile activities that the Club sponsors is the annual Scholarship Program. This program began in 1970 by providing two scholarships of \$100 each to graduating high school seniors of Chinese descent. In 2023 the Scholarship Program provided \$46,000+ in scholarship money. The scholarships are presented at the annual scholarship awards banquet where all recipients, as the club’s guests, are addressed by a keynote speaker.
